Sir:

Further to a routine review of the Patent Application Information Retrieval (PAIR) system, it appears that the instant application still has not been assigned an Examiner and no indication is provided as to when an action will be prepared. As the application was filed February 18, 2004, and since the continuation claiming priority from the instant application and which was filed January 3, 2005 has already been acted upon, it is respectfully requested that an indication be provided as to when action will be taken on the instant application.

Respectfully submitted,  
STEIN, MCEWEN & BUI, LLP
